The princesses

The princesses.....

Princess Alyssa walked to the tree, because she likes the apples. She picked a little red apple. She took a little bite of the apple. her friend Snow White stopped by. The princesses talked about how juicy the apples were. Sleeping beauty came over and grabbed an apple too!
Together the princesses walked to Sleeping Beauty's Castle. They laid down on her couch and fell asleep. After they woke up, The princesses walked to Snow Whites Castle. They laid down on her couch and fall asleep again. After they woke up, The princesses walked to Princess Alyssa's home.

At Alyssa's home, the princess have a party. There is a cake, it have pink and purple icing. The princess lauph and play together. Alyssa tickled the other princesses untill they cried. Cinderella shows up with Twister. The 4 princess played twister untill they all fell down and lauphed, then tickled eachother.
When the sun went down, at 7. All the princesses went to sleep!

THE END!

Mommy,Mommy

Mommy,Mommy.....

Mommy is my favorite!
My mom is a princess.

I like it when, Mommy cooks!

I like it when, mommy turns on cartoons!

I like it when, Mommy reads me books!

I like it when, Mommy tucks us in with hugs and kisses!

I like it when, Mommy brushes my hair with a comb.

I like it when, Mommy fixes my toys for me to play.

I love my mommy soo much!

Our Daddy

OUR DADDY.....

He's my favorite!

I love him!

He's bubby's daddy too!

He goes bye-bye to work everyday!

Daddy hugs and kisses us everyday!

Daddy loves us too!

Fishies and Froggies

Fishies and Froggies.....

I have 4 fishies and 2 froggies.

Fishies are supposed to have a tail and some little eyes.

My fishies are shiny! My big fishies are white and orange on their faces.

My little fishies, one has dark strips, and the other is black and orange tail.

My Fishies swim together, they swim around and go up high in the water.

Fishies have to live in water, because they are fish and they would die.

Fishies eat fish food. Fish food, is lots of colors. Fish food is small, little pieces.

I feed them everyday!

My 2 big fishies eat allot because, they are fat.

My 2 little fishies only eat a little bit.

They are my fishies and I love them!

I have 2 funny little froggies.

My froggies are brown and have polka dots on their backs.

1 froggie is small and 1 froggie is big.

My froggies eat little worms. Worms look brown or black.

My froggies eat a little bit. I feed them everyday!

My froggies swim all day. They can breath air like me, and live in water.

My froggies swim up to the top of the water and go back down fast.

Mommy said thats how froggies get air.

The big froggie even sings to me!

I love my froggies, because they are funny!
